

Dear Prospective Member,

Thank you for your interest in the MOMS Club® of Aliso Viejo! This letter will explain what the MOMS Club® is and how you can join. More information can also be found at MomsClubAlisoViejo.org

The Moms Offering Moms Support (MOMS Club®) is a support group just for you—the stay-at-home mother of today, interested in the world around you, wanting activities for you and your children, and proud of your decision of at-home mothering for your family.

The MOMS Club® is an international non-profit organization for mothers founded in Southern California in 1983 by Mary B. James. There are now 2000+ chapters in the U.S. alone with over 110,000 members!

The mission of the MOMS Club® is to provide support for stay-at-home moms through friendships and activities for both mothers and their children. We strive to make a difference in our families and give moms an avenue to meet other moms.

The MOMS Club® of Aliso Viejo offers a variety of activities like play dates at local parks, playgroups, meeting for breakfast or lunch, monthly moms night out, holiday parties, service projects, and more! We also support our members at times of need through our Mommy Meals program.

As a prospective member, you may attend two club events before making your final decision to join the club. Attending an event will give you the opportunity to meet some members of the club and get a sense of what we are all about. If you choose to join, our member dues are \$25 for the first year and \$20 each subsequent year.

Sincerely,

Executive Board
